I have witnessed the meteoric progress of this institute. Being the President of GLS University, I have been closely connected with all the constituent institutes. I can very well say that Faculty of Commerce (SMPIC) is one of the best institutes of India and a true pride of GLS University. Within this short span of merely two decades, this institute has truly earned a very high reputation.

I heartily congratulate the Dean and the entire family of Faculty of Commerce (SMPIC) for putting their tremendous efforts to put this institute where it is today. On this occasion of the release of the exclusive newsletter of this institute, 'College Mirror', I express my pleasure as it documents all the efforts those have turned into glorious success. From the Dean's Desk...

It is indeed a matter of great pride to lead an institute which has earned great reputation at national and international levels. Today when this institute has reached to its important milestone of twenty years, I feel a sense of satisfaction and happiness as the planning and dedication seems to have paid off well. Of course the credit goes to the dedicated staff, supportive management and above all, talented students. As it is said, it is difficult to reach to the top, but it is even more difficult to remain there. Today when I look back, I realise that a lot has been done, but, a lot more remains to be done, in the years to come.

I am happy to release this maiden issue of the college newsletter, 'College Mirror', in which we have proudly furnished the glimpses of various activities and achievements of SMPIC over the last two decades. This, I am sure will be a satisfying journey down memory lane for the alumni of SMPIC and an encouraging document for the present as well as future students of the institute. I heartily congratulate the entire team of faculty members and students who have worked really hard to bring this newsletter to reality.

At the end, I grab this opportunity to heartily thank our President, our friend, philosopher and guide, Dr. Sudhir Nanavati, for his unceasing support and guidance. My sincere thanks to all the office bearers of Gujarat Law Society and GLS University for their support and encouragement.

GUJARAT LAW SOCIETY

GLS UNIVERSITY

FACULTY OF COMMERCE

**TEAM FACULTY OF COMMERCE
(SMPIC)**

Gujarat Law Society has been in the field of education for over nine decades and is one of the largest and the most renowned destinations for education in Gujarat. Visionaries and luminaries such as Sardar Vallabhbhai Patel, Shri Ganesh Mavlankar and Sheth Shri Kasturbhai Lalbhai were the first to set lofty standards of excellence in education at the Society. Beginning with a single Law College in 1927, which was nurtured, among others, by Shri I.M. Nanavati, today the Gujarat Law Society has burgeoned into a mammoth Trust that manages around 30 institutions offering quality education in various disciplines. GLS has a particularly extensive alumni group too which echoes the values that it has imparted, right since its inception. Being a part of some of the most distinguished corporates across the globe, these members of the Society's alumni have carved out a niche identity for themselves, that of being responsible, pragmatic and proactive. What has not changed over these years is the steadfast resolve to always 'aim higher' and the motto of 'Excellence in Education'. With this in view, the Gujarat Law Society (GLS) has now promoted and sponsored the "GLS University".

GLS University is a statutory state private university established by an Act of Gujarat State Assembly. GLS University is set up with the vision to benchmark global standards of education and create path breaking programmes in the areas of strategic importance not only to the country but also across the world. The university is all set to initiate various innovative programmes in diverse areas of Management, Information Technology, Communications, Social Sciences, Commerce etc. besides the existing programmes B.Com., M.Com., BBA, MBA, BCA, MCA offered by the institutes under the umbrella of GLS University.

NAAC accredited institute is a part of Gujarat Law Society. Dedicated to providing quality education in a fully-integrated, multicultural environment, Faculty of Commerce (SMPIC) has the distinct status of being enlisted in the list of 'Best colleges' in the commerce faculty by India Today, in 2011, 2015 and 2016. Faculty of Commerce, has introduced B.Com. (Hons.), a three-year degree programme, since June 2017, to provide a strong foundation level understanding of Accounting, Finance, Taxation, Law and Management subjects which will be helpful for further studies such as CA, CMA, CS, CPA, MBA, M.Com. etc. Institute fosters well balanced and multi-dimensional personality of students, encompassing intellectual, social, physical, moral, emotional and aesthetic aspects.
