# MESSAGES OF GOOD WISHES

**Shri Sudhir Nanavati**  
Executive Vice President, GLS.

I am glad to know that the 10<sup>th</sup> issue of PRISM has come out and this time it has served something interesting and innovative to its readers. This year is no different; the '3G' theme is surely going to be very popular among the students. Due to the '3G' theme the students will be able to relate themselves easily with it and understand the culture in a better way. PRISM through its sheer creativity expresses distinct sense of imagination and novelty. I acknowledge their efforts and convey my blessings to SMPIC and TEAM PRISM.

I am extremely delighted to know that the 10<sup>th</sup> issue of PRISM has been published. I heartily congratulate Principal Dr. Ashwin Purohit and TEAM PRISM for all the hard work done and success achieved. I believe that this year's PRISM will be very popular among students, as the theme is '3G'. PRISM has always come up with innovative themes and meaningful reading. I warmly appreciate the creativity and hard work of its team members. My earnest compliments to 'PRISM'. Keep up the good work.

**Shri Devang Nanavati**  
Hon. Secretary, GLS.

**Shri N.R. Shah**  
Executive Director, GLS

I am pleased to know that the 10<sup>th</sup> issue of PRISM is published. As the issue is based on 3<sup>rd</sup> generation, I think it will be popular among students. The index page of magazine is very witty and humorous. I appreciate the creativity and hard work of TEAM PRISM. I hope PRISM goes to scale new heights and become at par with magazines of national colleges. I congratulate TEAM PRISM on its 10<sup>th</sup> success.

We at SMPIC believe in sheer involvements of our participants in diverse academic and life building activities. I acknowledge there efforts and appreciate the team work done by all the members of TEAM PRISM.

SMPIC has always been on a mission not merely to impart education but also the identification and enrichment of the dormant skills of the students. Over the years, PRISM has been an imperative mode for accomplishment of our cultural aspirations. Moreover I am pleased to know about the theme of '3G' this year. I am confident that this theme will generate a great deal of interest in the psych of students and encourage there utmost involvement. I wish that PRISM continues the celebrated journey and set many other mile stones all the way through. I congratulate all the five teams of PRISM including marketing, editing, graphics and designing , cartooning and typing for the outstanding dedication and excellent work.

I convey my blessings to TEAM PRISM.

**Dr. Ashwin Purohit**  
Principal.
